

Assurant Dental Plan Information

Assurant is AMERISAFE's group dental insurance carrier. Assurant does not produce dental ID cards for plan participants. This means that all participants covered under the Assurant Dental Plan will need to either:

- Register their account via the Assurant website and print their personalized ID cards.

or

- Print a generic Assurant ID card which can be found on the Intranet, via this link:
<https://services.amerisafe.com/Benefits/AssurantDentalIDCard2014.pdf> .

The link to the Assurant Website, where participants can register their account to obtain a personalized ID card, review benefit and claim information, etc. is:

<http://www.assurantemployeebenefits.com/wps/portal/Home> .

The employee's Social Security Number, minus the dash's, is the ID # needed in order to register for access to the Assurant website.

Assurant's Customer Service phone number is 800-442-7742.
