Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

This form is a benefit highlight, not a certificate of insurance. The coverage outlined here highlights the benefits available through Reliance Standard Life, and does not include exclusions and limitations. For details on exclusions and limitations, or a complete list of covered procedures, contact your benefits coordinator.
