

An identity is stolen every 2 seconds. Could you be next?

Privacy Advocates®

InfoArmor employs a dedicated team of professionals that provide world class service and expertise in identity theft restoration.

In the event of identity theft, the victim will be assigned a dedicated Privacy Advocate that will act on behalf of the customer to completely restore their identity.

The victim will know their Privacy Advocate by name and will be able to have a personal proponent for their identity restoration.

InfoArmor's Privacy Advocates have been trained by and receive continued support from the Identity Theft Resource Center, the primary national non-profit that focuses on identity theft.

Privacy Advocates are also Certified Identity Theft Risk Management Specialists by the Institute of Fraud Risk Management.

Identity Theft Full Restoration Services and Real-time Card Monitoring

The Identity Theft Crisis

Identity Theft is the fastest growing crime in the United States. The statistics are staggering and getting worse. In 2013 Identity theft was the number one consumer reported crime with 13.1 million victims, spending on average 58 to 165 hours to regain pre-theft status.^{1,2,3}

What can you do?

To protect you and your family from this devastating loss of time, money and security, Reliance Standard and your employer have provided you with a full service ID Recovery Program that will perform the recovery process for you should you or a member of your family fall victim to identity theft.

In addition to the recovery program, you also have access to real-time card monitoring through WalletArmor®. WalletArmor® is an interactive, easy-to-use vault for protecting your wallet's contents, passwords, and important personal documents.
