Amendment

Policyholder: AMERISAFE, INC.

Group Policy No.: GP- 881667

This Certificate Rider describes a change in your Booklet-Certificate, which applies to group policies providing medical coverage issued by Aetna Life Insurance Company in the State of Maryland.

The purpose of this Certificate Rider is to address coverage for the FDA approved Human Papilloma Virus screening tests at the testing intervals outlined in the recommendations for cervical cytology screening by the American College of Obstetricians and Gynecologists.

Keep this Certificate Rider with your Certificate at all times.

This Certificate Rider is effective on the later of the date you become covered under the group policy and January 1, 2006.

The following provision has been added to the **Covered Medical Expenses** section of your Booklet-Certificate:

Human Papilloma Virus (HPV) Screening

Even though not incurred in connection with a disease or injury, **Covered Medical Expenses** include charges incurred for Human Papilloma Virus (HPV) screening as follows:

Human Papilloma Virus

Human Papilloma Virus screening at the testing intervals outlined in the recommendations for cervical cytology screening developed by the American College of Obstetricians and Gynecologists.
